

I/DD and Dementia

*A forum for advocates, thought leaders, family members
and creative thinkers.*

LEARN what we know about those with I/DD and dementia.

CONNECT and network with leaders from various disciplines and systems that support people with I/DD.

PLAN next steps we can take to better support those with I/DD in our state who develop dementia.

Plan

June 28, 2018

Seatac Airport Conference Center

10:00 am to 2:30 pm

National Experts Dr. Seth Keller and Dr. Mathew Janicki

A presentation by the Washington State Dementia Action Collaborative on the progress made in our state to date.

A community conversation among forum participants on how we can better support people with I/DD who experience dementia.

Registration is free, but space is limited. To reserve your spot, contact Aziz Aladin at aziz.aladin@ddc.wa.gov.
