

LEGAL SUPPORT RESOURCE LIST

For people with intellectual & developmental disabilities

Disclaimer: The decision to retain an attorney is a very personal one, and an important one – a decision you must make carefully based on your own judgment and evaluation of that attorney. We strongly recommend you contact more than one attorney and interview each of them carefully to be sure they feel “right” for your legal and financial situation before making any decisions about who should represent you.

This information is only one source of information among many sources that may be available to identify and locate an attorney (or other legal services) for disability-related legal matters. This information is simply available to help guide you and intended to provide **general** information for people seeking legal counsel and advice in King County about disability-related issues. It is not meant to be comprehensive. The Arc of King County does not verify, match, validate, approve or confirm the services that each of the attorneys provides nor does it guarantee, endorse, or warranty (express or implied) the legal ability, competence, quality or reliability of any individual attorney, law firm, or legal services provided on these pages. We will attempt to keep a list of attorneys up-to-date as frequently as possible, but we may not be aware of or know about every attorney, law firm, or legal service that can assist you with a disability law-related issue. We will not refer you to a specific attorney or service nor will we provide any sensitive or confidential information provided to us by you to any attorney or service – this is your sole responsibility.

Questions? Contact The Arc of King County at 206.829.7053 or ask@arcofkingcounty.org.
