

Individualized Transitional Guidance

Fall Business Group: Landscaping

Description: This group is an extension of our pilot summer program. Group members will create their own business. They will choose the business, research costs, budget, raise funds, find markets, advertise and sell their projects. All members in the group will gain real life work skills by creating their own business. In addition, the group will focus on communication, teamwork, collaboration, and flexibility. One of our groups for the fall will be creating a landscaping business..

Concepts and Skills Covered:

- Creating an Executing a Business Plan
- Budgeting / Planning
- Advertising / Social Media Skills
- Landscaping, Fence Building, Other Skills
- Working as a Team
- Real Job Experience

Length: The group will be on Tuesdays and Thursdays from 12:00 to 4:00. The group will run from October 1st - December. 12th. There will be a one week break from November 18th - 27th.

Cost: Cost will be \$150 per week for 10 weeks for a total of \$1,500. If choosing to use respite this will be 8 hours of respite per week or 80 total for the whole program. You can sign up on a per week basis. Please do not sign up unless you plan on attending.

Transportation: We can coordinate drop offs and pickups, but it needs to be close to the location.

Location : Bellevue Library is where we will meet and end every group.

Contact: Register online at www.enigma-asd.org under our current programs if you have questions please contact rwecker@enigma-asd.org
