Wash your hands

for

When

Also,

try

not

to

touch

your

face.

I can

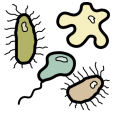

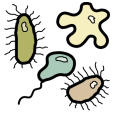

stop

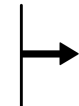

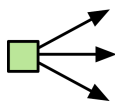

germs!

COVID-19 Closures

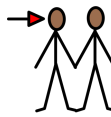

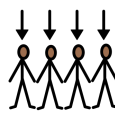

Some schools and places might close to help prevent germs

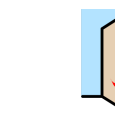

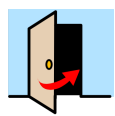

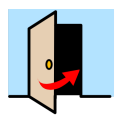

from spreading.

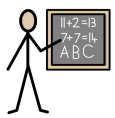

People in charge will decide what is best for my community.

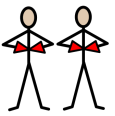

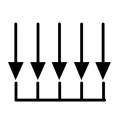

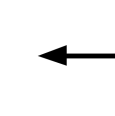

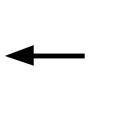

They want to keep everyone healthy!

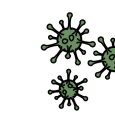

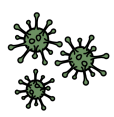

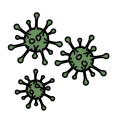

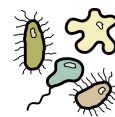

If my school is closed, I can do school work at home!

My parents, teachers, and trusted adults will let me know if

        

places close and when we can all go back.

I will go back to school when the COVID-19 germs are gone!
