Joan Marie Murphy

Q2

Federal Way School Board #5

Q3

No

Are you worried about use of restraints and isolation in your school district?

Q4

No

Do you support ending isolation, chemical restraint, prone (floor) restraint, and supine (wall) restraint?

Q5

Yes

Do you want to invest in training on alternatives to restraint and isolation?

Q6

What should voters know about your commitment to keeping everyone, including students with disabilities, safe in school?

I have taught in Federal Way School District as a Special Ed teacher and have been trained and used de-escalation methods. I found that asking the kiddo: "Hey, what's going on?" gives them a chance to verbalize , and moves them out of their emotive state.
