

# Visual Schedule – Apps for That

Here are some screenshots from a visual routine app. This app name is ‘Choiceworks’ and is available to purchase or other similar apps can be found for free. IF you think this approach might work for your family why not explore and experiment.

# Visual Schedule – Apps for That

1:30 PM Thu Apr 16 All Reset Edit

## My morning schedule

First I need to

- get dressed
- wash face
- brush teeth
- use medicine
- eat breakfast

All done

- change diaper

Then I can

- use iPad
- play with toys
- Schedule Book

1:31 PM Thu Apr 16 All Reset Edit
