Did the Smithsonian Institute cover up the mind-boggling discovery of an ancient Egyptian Colony in the Grand Canyon? According to a news article from 1909, the answer is YES.

Is it possible that the ancient Egyptian civilization developed technology to travel across the planet? I'm not talking spaceships, but transoceanic voyages made possible with their grandiose vessels?

HARASSMENT

- ✗ Harassment is when someone does something hurtful to you because of who you are.
- ✗ Harassment is like bullying.
- ✗ Harassment is usually lots of hurtful actions over a long time, but sometimes it is also one event.

HOW TO STOP HARASSMENT

- ✗ Don't respond
- ✗ Use your safety tools: unfriend, block, report
- ✗ Take a break
- ✗ Talk to someone who cares about you

EXTREMISM

- ✗ Extremism is when someone has religious or political beliefs that are extremely different from most people AND those beliefs are hurtful or hateful to a group of people.
- ✗ Extremists often blame all of their problems on a different group of people. Some common people to blame include women, Jewish people, Black people, immigrants, Mexican people, Muslim people, LGBTQ people, or other minorities.
- ✗ All of these groups of people are already treated unfairly by society. They certainly are not to blame for your problems or the problems of the whole country. Any person from any background can do good things and bad things. Race, religion, or culture do not automatically make someone a good person or a bad person.

SIGNS OF AN EXTREMISM GROUP

- ✗ You can't ask questions, learn about different ideas, or have a different opinion.
- ✗ You are isolated from your friends or family.
- ✗ You cannot leave the group. If you do, no one still in the group will talk to you.
- ✗ There is secret knowledge or one right way to do things that only group members know.
- ✗ You have to believe and follow everything the leaders say.
- ✗ A different group of people is evil, bad, or your enemy.
- ✗ You feel like you can never be good enough.

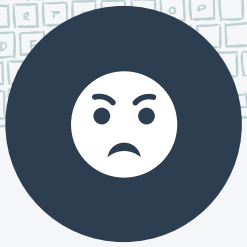

AVOIDING EXTREMISTS

✗ Isolation

✗ Disability and ableism

✗ Kindness

✗ Power

WHO DOES HATE HURT?

- ✗ Who sees what you post online?
- ✗ Would you say the same thing to that person face to face?
- ✗ How would you feel if someone said something similar to you?
- ✗ What would your friends, family, loved ones think about the things you read or post online?
- ✗ What would happen if your boss saw your post? Would you lose your job?
- ✗ How do you feel after being online? Do you feel angry, tense, overwhelmed, or sad?

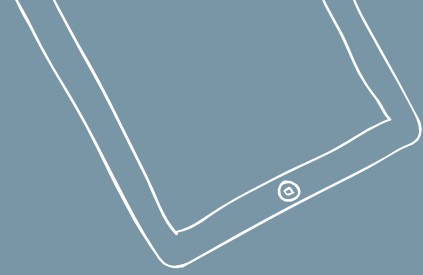

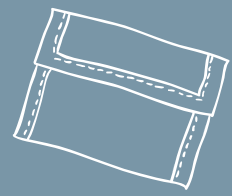

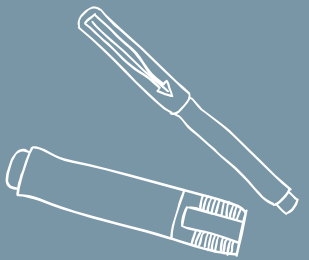

EXPLOITATION

- ✗ Exploitation is when someone is controlling you.
- ✗ Exploitation is when someone uses you unfairly and selfishly.
- ✗ Someone who is exploiting you might lie to you or take away your choices.
- ✗ They might take credit for your work or take your money.
- ✗ Exploitation could also be a threat. One common threat is "I will tell your secrets unless you do what I want."

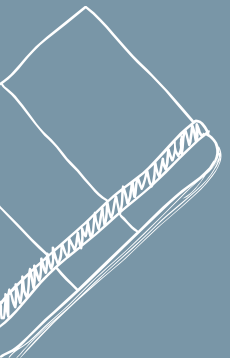

HOW TO STOP EXPLOITATION

- ✗ Don't give your private information to people you don't know on the internet.
- ✗ Don't send sexual pictures to people, if you aren't okay with everyone seeing them.
- ✗ Learn how to use safety tools and avoid scams.
- ✗ Get help from a trusted adult.

ONLINE DATING + FRIENDS

ONLINE VS. IN PERSON

Same:

- ✗ Risk
- ✗ Rejection
- ✗ Common interests
- ✗ Time
- ✗ Trust
- ✗ Respect
- ✗ Boundaries

Different:

- ✗ Easier to lie
- ✗ Anonymity
- ✗ Niche interests
- ✗ Time delay
- ✗ Easier to leave
- ✗ Toxic norms

MEETING ONLINE FRIENDS

- ✗ make sure that other person is real
 - reverse image search their pictures
 - video chat before meeting in person
- ✗ don't share too much personal information
- ✗ if you meet up, do so in public, with a friend or family member
- ✗ share your boundaries for meeting up and ask the other person about theirs
- ✗ trust your feelings, if something feels bad, don't meet in person

ONLINE DATING

- ✗ Have you ever tried online dating?
 - 1/3 of adults have used a dating site
 - 12% married or in committed relationships from online dating
- ✗ What apps?
- ✗ Age of Consent
- ✗ Safety Tools
- ✗ Communication

Now we're going to talk about somethings
that might make people a little uncomfortable.
