

Volunteers Needed for Research on Science Museum Accessibility

Do you identify as disabled/having a disability and experience multi-faceted access needs? Have you visited a science museum? Would you like to share about your experience?

You May Qualify If You

- Are at least 18 years old.
- Identify as disabled/having a disability
- Experience multifaceted access needs
- Have visited a science museum

Participation Involves

- Completing a one-hour virtual interview in English on your experience in the museum during the months of February or March 2020.
- Participation will not be compensated.

Potential Benefits/Risks

Participating in this study involves reflecting on a past experience and may cause discomfort based on the experience being recalled.
