The Arc of King County's Legacy Gala &
Masquerade

The Arc of King County was founded in 1936 and is one of the oldest organizations in the country serving individuals with intellectual and developmental disabilities (I/DD).

We advocate for the right for people with I/DD to live, learn, work, and play in the community - making the world a better place for us all. We envision a world where everyone is an equal, valued, and active member of the community.

The Legacy Gala and Masquerade is The Arc's annual gala fundraiser complete with dinner, silent and live auctions, music, and fun! All proceeds will benefit The Arc of King County and the individuals whom we serve. Your sponsorship allows us to provide:

- Case Management and support for homeless at-risk families
- Financial stability for people with I/DD
- Courses on Healthy Relationships
- Self-Advocacy Trainings
- Workshops for Parents
- Meet Up Events for Self Advocates
- Advocacy Buses to Olympia
- Empower all people to be productive members of their community
