

Long

FindARide

Hopelink Mobility recognizes that transportation needs are unique to each person, and affordable options are difficult to find. That is why we created FindARide, a comprehensive online database of transportation resources that is designed to help you find information on local shuttles, volunteer driver programs, medical transportation services, and beyond. We serve everyone equally—Veterans, People Experiencing Homelessness, People with Disabilities, etc. Learn more at www.findaride.org.

Transportation Resources Line

If you have a hard time using FindARide, we can provide one-on-one support in finding unique transportation options that fit your needs! We can walk you step-by-step through the available resources that might work best. The Mobility Line is open from 9:00 AM – 4:00 PM, Monday through Friday. If we are unavailable, leave a voicemail and we will return your call within two business days. To learn more about this service, or to get help with transportation, please email us at mobility@hopelink.org, call **425-943-6760, ext. 2**, or complete our [online form](#).

**We do not provide or pay for any transportation. Our purpose is to connect you to resources you can use. Transportation Resources Line is a Community Living Connections Partner.*
