

Immigration Legal Clinic:

Private consultation with an immigration attorney provided by Eastside Legal Assistance Program. Attorneys cannot represent clients but can refer to other assistance.

You MUST request an appointment. People has to call ELAP's main line 425-747-7274, to determine if the person qualify for assistance (low income 200% of poverty level) and to schedule the appointment at the Kent library. ELAP has over-the-phone translation services available.
