

DDA Home and Community Based Waivers

The Developmental Disabilities Administration (DDA) offers services under five Medicaid-funded waivers— *Individual and Family Services (IFS)*, *Basic Plus*, *Children’s Intensive In-home Behavioral Support (CIIBS)*, *Core*, and *Community Protection* - each with services to meet needs of participants. Individuals may request to be enrolled on a waiver or to be enrolled on a different waiver at any time. Waiver enrollment is limited to funding and capacity.

Individual and Family Services (IFS): This waiver supports individuals living with a family member in the community. The intent of the IFS waiver is to partner with families and provide a choice of services to meet the individual’s needs. Individuals are eligible if they live with family and are 3 years or older and meet eligibility criteria.
